Bangla (Native), English, Hindi, French, Arabic

INTRODUCTION

I am Shafayat Hossain Majumder, an undergraduate student studying **Computer Science & Engineering (CSE)** at **Bangladesh University of Engineering & Technology (BUET)**, advised by **Mr. Shahriar**. I am currently in my **junior year**. Residing in **Dhaka, Bangladesh**, I live with an open mindset to view the world and figure out all of its peaks and valleys.

Currently I'm widely focusing on my studies, hobby projects & developing my personal and social skills, besides giving time to my family and friends as they mean the world to me. I aspire to work in international tech giants one day, and quite righteously find my inspiration and motivation in CS.

EDUCATION

B.Sc. in Computer Science & Engineering (Hons)

Bangladesh University of Engineering & Technology
2017 – cur

CGPA: 3.78/4.00 in 4 semesters (3.91 in last term)
